EDITORIAL DEPARTMENT  
THE CENTURY MAGAZINE  
UNION SQUARE NEW YORK

August 28, 1890.

My dear Mr. Muir: *Welcome to  
your adopted Country!*

Supposing that you will  
arrive at home about the time this  
letter reaches California, I send  
herewith our check in payment for  
your two articles, including also  
the use of your sketches.

Very sincerely yours, -

*R. M. Johnson.*

*I hope you will be able  
to go at the Kings River Cañon for  
I want to have a bill introduced to re-  
serve it - [Can you send me a description of  
desirable limits?] and second I want to give  
Robinson something to do. He is hard up and  
he is going to make the sketches. (over)*

The House has passed the Tulare  
Big Grove Bill and I am urging  
it upon the Senate Public Lands  
Committee. I hope the Yosemite  
Bill will go through soon. The  
Land Office recommended these limits

But I got them to leave off the  
Nevada end & put it back about  
where you said. I feared complications  
from mining interests. Now if you  
could get some strong letters written  
soon in favor of the bill addressed  
to Senator P. B. Plumb or Gen. Wm.  
Vandever M. C. it would go through.

Yours anon.

R. M. G.
